Food and Drug Administration

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

I strongly object to the  
big pharmaceuticals and  
the FDA trying to run  
our lives. Their aim is  
obviously MONEY and  
will pay the price with  
our health.
